

The Village of Walden encourages tenants and owners to take pride and responsibility in maintaining their properties. There is a direct correlation with code violations in neighborhoods that are allowed to go unchecked and criminal activity. Uncorrected code violations, whether on your property or a neighbor's, reduce property values and may contribute to the appearance of blight and neglect. Protect your neighborhood. Code enforcement services help improve and stabilize neighborhoods, protect property values and promote a healthier and safer environment. Please promptly inform us of any zoning, nuisance or property maintenance code violations. Protect your property value and immediately resolve any code violations that you may have on your property. "Put out your garbage can on pickup days and don't leave empty garbage cans outside overnight" from Protecting Your Home Against Crime: Basic Steps to Safeguard Property Against Burglaries http://home-owner-tips.suite101.com/article.cfm/protecting_your_home_against_crime#ixzz0iMr8hEhR

Our Village Code is available online at www.villageofwalden.org and <http://www.ecode360.com/WA0823>. The purpose of Property Maintenance Ordinances are to protect the properties in residential and commercial neighborhoods by establishing minimum maintenance standards that are designed to maintain or increase property values, housing prices, quality of life. Excerpted from Village Code Section 247.9

E. All garbage and trash shall be placed at or within three feet of the curb or public street line for collection no earlier than 5:00p.m. on the day before collection.

[Amended 6-12-2007 by L.L. No. 3-2007]

F. All containers shall be removed from the curb or street by 9:00 a.m. on the day following collection. No containers shall be kept or stored in the front yard of any premises unless the particular nature of the property makes such storage a practical necessity as determined by the Village Manager. In such an event, the containers shall be kept in a neat and orderly manner so as not to draw attention to them from the passing public. In addition, when the storage of containers in a location other than the front yard imposes a physical hardship upon the residents of the premises as a result of age or physical infirmity, the Village Manager may, in his/her discretion, allow storage in the front yard, provided that containers are kept in the manner set forth above

Mr. John Moultrie Returns!

Cooking Classes resume on Thursday

March 21st, 6:30 P.M.

New Year, New Contract for Garbage:

The Village of Walden has entered into a new contract for garbage and recycling pickup. All participating in the Village program will be receiving a new garbage and recycling can.

Please place the toters curbside with the wheels facing the curb.

Please place the toters out for collection the night before or no later than 5am on your pick up day.

One totter is for Trash and one is for Single Stream Recycling.

The garbage hauler will be collecting with the rear load truck for the next few weeks to ensure a smooth transition and most importantly a clean Village. The Automated Side Loader will follow.

Residents can begin to use their cans right away.

**Every Friday Come On Down
with the family and
enjoy Family Zumba @ 5:30
in Woosters Grove !!!**

Drop-In Story Time

With Miss Bridget

**Every Monday evening through
February, 6:30 pm**

All Ages Welcome
